

Genoa Lakes Men's Club 2010 Membership Application

Thank you for considering membership in the Genoa Lakes Men's Club. We have a program with a variety of lunches, a significant prize pool for the Men's Championship, Senior Member Championship and President's Cup, as well as our continued membership in the Northern Nevada Golf Association (NNGA).

As in the past, we will be organizing weekly tournaments for the Men and Senior Men and the games will be published in the Directory that you'll receive.

The Hole-in-One insurance protects you against beverage costs should you be so fortunate. We recommend it.

Of special importance again this year is the opportunity to become a member of the Northern California Golf Association as well as NNGA. This provides you with significant discounts at some of the premier courses in California as well as participation in NCGA competitive events. It's optional for members.

For juniors (17 & under) in the Carson City/Carson Valley area, we are offering a Handicap Only membership at no cost.

Thank you in advance for your participation!!
