Subject: 2021 Genoa Lakes Men's Club Application

Gentlemen,

Here we go again. It's time again to renew your Genoa Lakes Club Membership for the 2021 season. The application itself is the second attachment to this email. Please read it carefully and select the proper options. For the vast majority of you that would be option **No.1a**, Renewing Membership in the GLMC for 2021. This option also includes handicap services for 2021. Please note this is a one-time only discount due to reduced expenses in 2020. Call it the Great Pandemic discount. Your welcome!

Option 1 is for new membership applications for the GLMC.

Option No. 2, is only for folks that want to sign up for handicap services only and DO NOT WANT to be a member of the GLMC.

Option No. 3, is for hole-in-one insurance. This covers your drink bill for hole-in-ones **only in GLMC tournaments.**

Option No. 4, this option is for membership in the Northern California Golf Association (NCGA). Details are on the application but bottom line if you play a lot of golf in Northern California or want to play in NCGA sanctioned golf tournaments, you will want to join NCGA.

Option No. 5 on this year's application. It is here that you can make a donation to the GLMC Charitable Auxiliary. This fund is aimed at supporting Northern Nevada Junior Golf programs. Thanks to your generosity in 2020 we were able to raise almost \$3000.00 Donations have been made to Douglas High School Boy and Girls golf teams, the Boys and Girls Club of Western Nevada, the First Tee Program for Northern Nevada, the NNJGA and Fore The Kids. If you have a specific organization related to golf that would benefit for next year's fund please let us know. So please be as generous for 2021. Your generosity for 2020 was greatly appreciated by all the organizations listed above.

So if you want to save a lot of dough get your application mailed before December 31, 2020. If you're a big spender and don't care about the money, get your application by the end of March 2021. Then you'll be good to go and can play on Opening Day without any drama.

Happy Holiday's to all and to all a Good Night.

As Always,

Chris - Your Humble Club Secretary
